

MADENMORE

DIGITAL MANUFACTURING

YOU DESIGN. WE MANUFACTURE.

PROTOTYPES • PILOT RUNS • SMALL-BATCH PRODUCTION

Need physical parts without tooling, long lead times or large minimum quantities? We manufacture from your existing 3D files.

IDEAL FOR

- Startups & product teams
- Engineering / R&D;
- Robotics & automation
- Electronics hardware
- Small manufacturers
- Prototype & pilot builds

WE CAN PRODUCE

- Functional prototypes
- Enclosures & housings
- Brackets & mounts
- Robotics parts
- Jigs & fixtures
- Product mockups
- Small batches
- Multicolor FDM parts

CORE MATERIALS

PLA • PETG • ABS • Other materials subject to project requirements and validation

HOW IT WORKS

SEND FILE → GET QUOTE → APPROVE → WE MANUFACTURE → QC → DISPATCH
